SACRAMENT OF BAPTISM - ECCLESIASTICAL REQUIREMENTS

THE SACRAMENT

Baptism is a covenant, an agreement between God and man. God promises to be our Father and we promise to be His children. Baptizing infants, before they are aware of what will take place, is an expression of God's great love for us. It shows us that God loves us and accepts us before we can even know Him or love Him. It shows us that we are wanted and loved by God from the moment of our birth. Baptism is necessary for salvation (Mark 16:15-16) and in accordance with the Holy Tradition, must be performed by triple immersion in the name of the Father, the Son, and the Holy Spirit (Matthew 28:18-20). It is through baptism that one becomes a fully participating member of the Church. Baptisms may not be performed on certain dates. For a list of dates, please contact the Office Secretary/Sacraments Director.

CLINICAL BAPTISMS

In the event of an un-baptized infant being in a life threatening condition, an Orthodox priest must be called for a clinical baptism. In the absence of a priest, an Orthodox Christian may baptize the infant by the sprinkling of water and repeating the baptismal formula: "The servant of God (child's name) is baptized in the Name of the Father, and of the Son, and of the Holy Spirit".
